Kitty, Kitty I love you, and you know
to you I will be true,
I look forward to the times when we
can play, when she bites and claws me
O, My Kitty, She went out to play
but that was yesterday, she went out
to the garden for a while, and she never came back
She's Gone She's Gone She's Gone She's Gone...
and I'm all alone.

Kitty, Kitty for her I fear the worst
I dread to think just what could have happened
to her
I've looked all over, but no where can I find.
hide nor hair of that pussycat of mine
She's Gone She's Gone She's Gone She's Gone...
and I'm all alone.

I'm So Lonely {She coulda got hit by a car}
I'm So Lonely {She coulda been killed by a dog}
I'm So Lonely {Then maybe she's just out chasing
rats}
my pussycat ran away.
She's Gone She's Gone She's Gone She's Gone...
and I'm all alone.
