Can't wait on, I can't wait on
I can't wait on love

You got me shakin' all night long
Body's achin' the pain's so strong
My heart's racin' show me a sign
You don't keep me waitin' at the startin' line
Girl, you wind me like a clock
I'm the key that fits your lock

Can't wait on, I can't wait on
I can't wait on love
Don't be long, I've got my heat on
I can't wait on love

I'm so excited, I can't sleep
Let me slide in, way in deep
Girl, you tie me in a knot
In your web of love, I'm caught

Can't wait on, I can't wait on
I can't wait on love
Don't be long, I've got my heat on
I can't wait on love

I'm a time bomb tickin' away
You lit my fuse now you gotta pay

Can't wait on, I can't wait on
I can't wait on love
Don't be long, I've got my heat on
I can't wait on love

Can't wait on, I can't wait on
I can't wait on love
Don't be long, I've got my heat on
I can't wait on love

Can't wait on love
Can't wait on love

You got me shakin' all night long

(Can't wait on love, can't wait on love)
Body's achin' the pain's so strong
(Can't wait on love, can't wait on love)
My heart's racin' show me a sign
(Can't wait on love, can't wait on love)
You don't keep me waitin'
(Can't wait on love)
