

## Ratt "Dead Reckoning"

You know you're living a lie  
When you just can't win  
Pulling in first prize  
Ain't gonna give you a break  
You know I'm kickin back  
I had a broken wing  
Me and my shadow are the next best thing  
I need someone  
You know it might take  
More than you give to me

Are you gun-shy are you listening  
What we've got here is dead reckoning

Take me in for the night  
In the right time zone  
Well do what you like  
Make a left turn home  
I put out the light  
You're turnin way too red  
No stop sign straight up ahead  
You need so much, so much sympathy  
That's more than I can say  
You know it's not too late

Are you gun-shy are you listening  
What we've got here is dead reckoning  
And if it feels good we'll do it again  
See your way clear  
Dead reckoning  
Tell me why  
Tell me why  
Are you listening  
Are you listening  
Are you listening  
Are you listening

Solo

You mean so much  
So much to me  
That's more than I can say, you know it's not too late

Are you gun-shy are you listening  
What we've got here is dead reckoning  
And if it feels good we'll do it again  
See your way clear  
Dead reckoning  
What we got here is  
Dead reckoning  
Dead reckoning
