Ohhhhhh Yeah
I got a bad reputation
An you knew its so well
Yeah I give you what you need
I'm gonna take you too hell
Doesn't matter how you feel
Just gives you stories to tell
I'm gonna take its right back
I'm gonna throw in the towel Yeah

Nothing you do is wrong
Nothing you could have said
Welcome to my world

In this Garden Eden
If you could have seen it
You wouldn't believe it
In this Garden of Eden

Yeah you're my addiction
Between shame and temptation
Yeah you give me what I need
And I like it like that

Nothing you do is wrong
Nothing you could have said

Welcome to my world
In this Garden Eden
If you could have seen it
You wouldn't believe it
In this Garden of Eden

In this Garden Eden
If you could have seen it
You wouldn't believe it
In this Garden of Eden

In this Garden of Eden (In this Garden of Eden)
If you could have seen it (In this Garden of Eden)
You wouldn't believe it (You wouldn't believe it)
In this Garden of Eden
