Lost Weekend

Are you ready for a big fun? Ough!!

Oh Yeah, rock steady, yeah I'm ready for the weekend
Was I the only one who was lookin for love
I had enough of me, me going off the deep end, yes I
have
It doesn't matter ta me I heard ya packing up, ya best
believe it

Rock steady your lost weekend, I'm ready for big fun
Your mine for the takin, rock steady every one

Yeah, I forgot your name, the first day that we met
Watching you devour that lollipop
Is it only me, but I like what I'm feelin
The way you pull me in aint gonna ever stop

You best believe it
Rock steady your lost weekend, I'm ready for big fun
Your mine for the takin, rock steady every one
Rock steady your lost weekend, I'm ready for big fun
I'm yours for the takin, rock steady every one Yeah!

If you can take it

Would you want some more
A little closer
And just close the door (Do it)

LEAD

Yeah!!!

If you can take it
Would you want some more
A little closer
And just close the door
What's inside will make ya beg for more, more, more

Rock steady your lost weekend, I'm ready for big fun
I'm yours for the takin, rock steady every one

Rock Steady, Rock Steady, your lost weekend
Rock steady, I'm ready for big fun
Rock steady your mine for the takin,
Rock steady, rock steady everyone
