I need somebody to walk me through this maze  
I know there's no one, no one else to blame  
I know I'm feelin and acting like a fool  
Don't try and stop me, I'm comin back to you  
Every time I feel that I can move on by myself  
Someone to believe in is always there for me  
My eyes are rusted I feel no pain  
My heart's done hurt me my that's strange  
My that's strange yeah I feel luv sick  
Tell me somethin new  
Sit back, love attack, I got it bad for you  
Luv sick  
Luv sick  
Luv sick

Somebody save me I'm fallin everyday  
Sometimes I feel it  
Not that far away  
Should of seen it coming  
I've done this all before  
Just say you want me and I'll be back for more  
Every time I feel that I can move on by myself  
Someone to believe in is always there for me  
My eyes are rusted I feel no pain  
My heart's done hurt me, sorrow and pain

Yeah I feel luv sick  
Tell me somethin new  
Sit back, love attack, I ain't done with you  
Luv sick  
Luv sick  
Luv sick  
Luv sick  
Luv sick  
I got it bad for you baby

solo

Every time I feel that I can move on by myself  
Someone to believe in is always there for me  
My eyes are rusted I feel no pain  
My heart's done hurt me, sorrow and pain

Yeah I feel luv sick  
Tell me somethin new  
Sit back, love attack, I ain't done with you  
Luv sick, Luv sick, Luv sick, Luv sick  
Luv sick, Luv sick, Luv sick, Luv sick
