You take the midnight subway train  
You're callin' all the shots  
You're struck by lightning  
You're in love

You take the evening one on one  
You're only livin' to have fun  
You want to use me, take me home tonight  
I'll make you wish that you were mine

**CHORUS**

You're struck by lightning  
You're in love  
It's not worth fighting  
You're in love  
Well turn around  
Remember me  
I'm the one  
Who's out and aimed to please  
You're in love (Yeah, yeah, yeah)  
You're in love

You make your livin' lovin' hot  
You spin me like a top  
You take the evening one on one (On one)  
You're only livin' to have fun

**CHORUS**

Well turn around (Turn around)  
Remember me (Remember me)  
Well turn around (Turn around)  
I'm the one  
Who's out and aimed to please

You're in love (8x)

(You take the midnight subway train)  
You're in love  
(You're callin' all the shots)  
You're in love

(You take the evening one on one)  
You're in love  
(You're only livin' to have fun)  
You're in love  
(It's not worth fighting)  
You're in love  
You're in love  
You're in love
