Well, I tried so hard, my dear, to show that you're my
every dream
Yet you're afraid each thing I do is just some evil game
A little memory from your lonesome past keeps us so
far apart
Why can't I free your doubtful mind and melt your cold,
cold heart?

Well, another love before my time made your heart sad
and blue
And so my heart is paying now for things I didn't do
Well, in anger unkind words are said that make the
teardrops start
Why can't I free your doubtful mind and melt your cold,
cold heart?

You'll never know how much it hurts to see you sit and
cry
You know you need and want my love yet you're afraid
to try
Why do you run and hide from lies? To try it just ain't
smart
Why can't I free your doubtful mind and melt your cold,
cold heart?

Well, there was a time when I believed that you
belonged to me
But now I know your heart is shackled to a memory
The more I learn to care for you, the more we drift
apart
Why can't I free your doubtful mind and melt your cold,
cold heart?
Why can't I free your doubtful mind and melt your cold,
cold heart?
Why can't I free your doubtful mind and melt your cold,
cold heart?
