Two broken hearts lonely looking like houses
Where nobody lives
Two people each having so much pride inside
Neither side forgives

The angry words spoken in haste
Such a waste of two lives
It's my belief pride's the chief cause in the decline
In the number of husbands and wives

A woman and a man
A man and a woman
Some can, some can't and some can't

Two broken hearts lonely looking like houses
Where nobody lives
Two people each having so much pride inside
Neither side forgives

The angry words spoken in haste
Is such a waste of two lives
It's my belief pride's the chief cause in the decline
In the number of husbands and wives
It's my belief pride's the chief cause in the decline
In the number of husbands and wives

Husbands and wives
Husbands and wives
