Secret heart
What are you made of
What are you so afraid of
Could it be
Three simple words
Or the fear of being overheard
What's wrong

Let em' in on your secret heart

Secret Heart
Why so mysterious
Why so sacred
Why so serious
Maybe you're
Just acting tough
Maybe you're just not man enough
What's wrong

Let em' in on your secret heart

This very secret
That you're trying to conceal
Is the very same one
That You're dying to reveal
Go tell her how, how you feel

Secret heart come out and share it
This loneliness, few can bear it
Could it have something to do with
Admitting that you just can't go through it alone?

Let em' in on your secret heart

This very secret
That you're trying to conceal
Is the very same one
That you're dying to reveal
Go tell her how, how you feel
This very secret heart

Go out and share it

This very secret heart
