Verse One:

Do you fear this man's invention that they call atomic
power?
Are we all in great confusion, do we know the time or
hour
When a terrible explosion may ring down upon our land
Leaving horrible destruction blotting out the works of
man

Chorus:

Are you ready for that great atomic power?
Will you rise and meet your Savior in the end?
Will you shout or will you cry when the fire rains from
on high?
Are you ready for that great atomic power?

Verse Two:

There is one way to escape and be prepared to meet
the Lord
Give your heart and soul to Jesus, He will be your shield
and sword
He will surely stand beside and you'll never taste of
death
For your soul will fly to safety and eternal peace and
rest

(repeat chorus)

Verse Three:

There's an army who can conquer all the enemy's great
bands
It's a regiment of Christians guided by the Savior's
hand
When the mushroom of destruction falls and all it's
fury great
God will surely save His children from this awful, awful
fate

(repeat chorus)

Are you ready for that great atomic power?
