Tomorrow night
Will you remember what you said to night?
Tomorrow night
Will all the thrill be gone?

Tomorrow night
And oh, will it be, will it be, will it be just another
memory
Ah, just another lovely song
That's in my heart to linger on?

Oh, your lips, your lips, they are so tender
Oh and, and my heart, my heart, my heart is beating
fast
Oh, and you willingly surrender
Tell me, tell me, tell me, tell me will it last?

Oh, tomorrow, tomorrow, tomorrow night
Will you be with me when the moon is, is being a bright,
man?
Tomorrow night
Will you say the lovely things, you, you said tonight?

Yeah, yeah, yeah, yeah
Will you say the, say the lovely things?
Will you say all of these things?

Talk to me, c'mon and talk to me
And I wanna hear all of these sweet things
Will you say the lovely, lovely things tomorrow
If you said, you said tonight?
