Elijah rode in from heaven,  
Just to see a matinee  
Every moment brought a miracle  
Like the day he walked my way

He said "I walked right out of paradise  
Just to find peace of mind."  
He said, "I don't regret a minute of it  
Cause I'm having a good time."

Then he came to me and whispered  
In my ear "I would do anything,  
I would do anything..."

An angel came down from heaven  
Just to feel a rainy day,  
Every raindrop brought such joy and pain  
Like the day she walked my way.

Well she wrapped her arms around me  
And spoke so tenderly  
Just long as you are willing she said  
It's not hard to be free.

Then she turned to leave she whispered  
In my ear, "I would do anything,  
I would do anything..."
