Maybe Iâ€™m crazy, I can hear you but you seem for far  
away

Maybe Iâ€™m lazy, or maybe we got lost  
Somewhere in between the moments  
Canâ€™t remember when the changes came and made  
this thing so sad

If youâ€™re gonna leave, thatâ€™s okay  
If youâ€™re gonna stay, let me say  
I wanna get it back the love we had  
Before it gets too late  
If youâ€™re gonna leave, thatâ€™s okay  
If youâ€™re gonna stay, let me say  
I wanna get it back, the love we had  
Before it gets too late, donâ€™t let it get too late

Time is illusion  
Yesterday can be so far away  
Hereâ€™s to confusion  
Or maybe we will find  
Somewhere out beyond the stars or in our hearts  
There is a method to this madness that pertains.

If youâ€™re gonna leave thatâ€™s okay  
If youâ€™re gonna stay then let me say  
I wanna get it back the love we had

Before it gets too late  
If youâ€™re gonna leave thatâ€™s okay  
If youâ€™re gonna stay then let me say  
I wanna get it back the love we had  
Before it gets too late

Itâ€™s getting to the point that Iâ€™m  
I wanna do it right this time  
I wanna hold you in my arms  
I never wanna say goodbye  
Again

If youâ€™re gonna leave, thatâ€™s okay  
If youâ€™re gonna stay, then let me say  
I wanna get it back, the love we had

Before it gets too late  
If you're gonna leave then that's okay  
If you're gonna stay then let me say  
I wanna get it back, the love we had  
Before it gets too late, don't let it get too late.  
If you're gonna leave, that's okay  
If you're gonna stay, then let me say  
I wanna get it back, the love we had  
Before it gets too late

If you're gonna leave, if you're gonna stay  
Before it gets too late

If you're gonna leave, baby won't you stay  
I wanna get it back, the love we had  
Before it gets too late

If you're gonna leave, that's okay  
If you're gonna stay, then let me say  
I wanna get it back, the love we had  
Before it gets too late,  
Don't let it get too late
