"Peace On Earth"

There is no hope
There is no future
No faith in god to save the day
There is no reason
No understanding
No sacred place to hide away

There is no honest conversation
No words of wisdom from the wise
There is no reconciliation
And no collective compromise

Peace on earth
That's what we want
Peace on earth
That's what we all say
Peace on earth yet
There in the hallway
Lurks
The ghost of war

There is no darkness no sunshine
There is no great society
There is no freedom without conviction
There is no freedom to be freee
There is no heaven no fire and brimstone
There is no brotherhood of man
There is no country, no one religion
There is no universal plan

Peace on earth
That's what we want
Peace on earth
That's what we all say
Peace on earth yet
There in the hallway
Lurks
The ghost of war

He wants more and more and more and more
And more and more and MORE

The answer is mutually assure destruction
A balance of power, weapon for everyone
Mutually assure destruction
Bringing peace to everyone

Peace on earth
That's what we want
Peace on earth
That's what we all say
Peace on earth yet
There in the hallway
Lurks
Peace on earth
Peace on earth
