Oh, oh,
Oh yeah, oh,
Who, oh.
Na na na.

When I watch you walk,
And I watch you move,
I want some more,
Thoughts go up the skirt,
It starts me up,
When your legs walk through that door.

I don't do boys, just do girls,
I just do girls with style and class.
I don't do boys, just do girls,
Just do girls with kissable ass.
I will not do boys.
No, oh.

Girl it's not your game,
But I know tonight, you will come,
Because girls, are best for girls
And when we play.
Oh Oh.
We don't cheat at all.

I don't do boys, I just do girls.
I just do girls with style and class.
Don't do boys, just do girls.
Just do girls with kissable ass.
I will not do boys.

Hot lips, hot eyes, (kiss me), hot stuff, hot smile.
I'm gonna drive you crazy,
Don't do boys, just do girls,
I just do girls with style and class.

I don't do boys, just do girls,
Just do girls with kissable ass.

Na na na.

Na na na.

Na na na.

Na na na.

I don't do boys.

Na na na.

Na na na.

Na na na.

Na na na.

I don't do boys, I just do girls
I just do girls with style and class.

I don't do boys, just do girls,
Just do girls with kissable ass.

I don't do boys.
