Alvin's Harmonica by Alvin And The Chipmunks
[Alvin playing harmonica]

[Dave, speaking]
Alvin, put that harmonica down.

[Alvin, speaking]
Why?

[Dave, speaking]
Because we're gonna sing, that's why!

[Alvin, speaking]
Not again!

[Dave, speaking]
Never mind. Now look fellas,
this is a pretty song so let's try not to goof it up.
Are you ready, Simon?

[Simon, speaking]
Sure, let's go!

[Dave, speaking]
All set, Theodore?

[Theodore, speaking]
Hot dog, you bet!

[Dave, speaking]
Are you ready, Alvin?

[Alvin plays his harmonica]

[Dave, speaking]
Ready, Alvin?

[Alvin keeps playing]

[Dave, shouting]
ALVIN!

[Alvin, speaking]
Aw, nuts!

[Chipmunks]
We sure like girls,
All kind of girls.
From Annie to Veronica!
We like 'em small or fat or tall?

[Alvin]
I wanna play my harmonica!

[Dave, speaking]
Now cut that out!

[Chipmunks]
And if we want to get a kiss,
We take them fruit or popcorn,
Because they always fall in love?

[Alvin]
When I play my harmoni-corn!

[Dave, shouting]
Alvin!

[Instrumental Interlude]

[Alvin plays his harmonica]

[Dave, speaking]
Will you put that thing down and sing?

[Alvin, shouting]
OK!

[Chipmunks]
We sure like girls,
All kind of girls,
From Annie to Veronica.
We like 'em small or fat or tall?

[Alvin]
I'm gonna play my harmonica!

[Dave, speaking]
All right, Alvin. Make a fool of yourself. Play the
harmonica.

[Alvin plays few bars of harmonica music, orchestra

joining in]

[Simon and Theodore]
Cha-cha-cha!

[Dave, speaking]
Now wait a minute, you guys!
Alvin, you're goofing it all up!
This was a pretty song, it's not supposed to be a-

[Simon and Theodore]
Cha-cha-cha!

[Alvin continues to play]

[Simon and Theodore continue with "Cha-cha-cha"
while Dave speaks]

[Dave, speaking; getting increasingly irritated]
Now look what you did! You got them all cha-chaing
and singing and wrecking the song!
Theodore... Simon... Orchestra,
will you cut that out! Alvin, put that harmonica down!
Alvin! AAAAAALVIN!
