Ooh ooh yeah yea hey hey heeey oh

Do you know why I do it  
cause I don't understand it  
you say you can't  
explain it well I cannot comprahan  
it this is me that is you well I  
won't you to know that me and  
you are through

You lied, you cheat don't fake  
it you know that I won't take it  
so I will have to leave her  
unless I catch me amnesia.

I will see how it would be you  
can't confuse me cause I will  
always see this is me that  
is you well I want you to  
know that me and you are through

You lied you cheat don't  
fake it  
you know that I won't take it  
so I will have to leave her  
unless I catch upon a slack of amnesia

This is my story that I once  
told I knew my life would be  
boring but I stayed  
full of gold I did not  
let you control me so you or  
I have to leave I don't need  
her but I will stay unless I get amnesia

You lied you lied you cheat  
you cheat don't fake it you  
know you know that I  
that i will not take it so I  
so i will have to leave her  
leave her unless I catch me

This is my story that I once  
told I knew my life would  
be boring but I stayed full of

don't need her but I will  
stay unless I have amnesia
