We should remember all past faces,  
Fond recollections none can compare.  
If someone leaves us, just remember,  
Yours so much richer for all that you shared.  
So look back with love, don't despair...

Beautiful memories last a lifetime,  
They're beside you everyday.  
Beautiful memories of our old friends,  
Goes to our hearts, they will stay.

Yes we will miss them, but remember,  
All of the good times, all that you done.  
Their warmth and their laughter, heartfelt moments,  
These should be savored like golden sun.  
The best of your dreams are to come...

Beautiful memories last a lifetime,  
They're beside you everyday.  
Beautiful memories of our old friends,  
Goes to our hearts, they will stay.
