We dont have to do
What you tell us to do no more
You get what you need
And you don't want it anymore
We don't cry now
We don't know how

We heard what you said
And we dont believe a word you say
The Hill is a high one
But we'll Climb it anyway
There's no doubt
You'll find out

(Chorus)
We're the ones on the run
We're the girls we're the diamond dolls
(diamond dolls)
It's a ravenous world
And the Celing is very tall
(do do do do do do do)
Theres a weight and a climb
And a ladder and many fall
(Diamond dolls)
But the cream of crop Never stops
We're the diamond dolls!!!!

A girl Shouldnt Sit in the
Corner and wait for life
Some girls like to go out
Looking for Paradise

You'll find out...you had it anyway
Dont look down....No matter what they say

You do what you do
And you try not to break the law
A girl hits her mark when She dont
Look ahead to far

Theres no doubt.....your gonna get it all
You'll find out...everything u want

Give a hand to the girls
Who go after the diamond dolls
(Diamond dolls)
It's a ravenous world
And the Ceiling is very tall
(do do do do do do do)
There's a river that curls
To the sea and it's very long
(Diamond dolls)
But the cream of the crop
Never stop Not the diamond dolls

Silver Platinum, I pass on them
You can have them, I know what I want

(Chorus)
We're the ones on the run
We're the girls with the diamond dolls
(diamond dolls)
It's a ravenous world
And the Ceiling is very tall
(do do do do do do do)
There's a weight and a climb
And a ladder and many fall
(Diamond dolls)
But the cream of crop Never stop
Not the diamond dolls!!!!

Repeat till fade
