Well, that's life in the world of Doctor Dolittle.  
The wonderful world of Doctor Dolittle.  
He has a profound philosophy,  
If animals can be friends, says he,  
Well, then, why can't we  
Do little things to help them?  
Why can't we?

For every time it starts to rain  
And people run indoors again, in swarms;  
If you remain  
Out in the rain  
You'll think you're drinking pink champagne  
And you'll spend your life praying for thunderstorms.

Maybe what the Doctor tells me  
Isn't altogether true,  
But I love every tale he tells me.  
I don't know any better ones,  
Do you?

My friend the Doctor says the world is full of fantasy!  
And who are you or I to disagree?  
Let's hope and pray,  
That is the way,  
The life we love will always stay  
For my friend the Doctor and me!  
My friend the Doctor and me!
