[Alvin]

I have a dream, a song to sing
To help me cope with anything
If you see the wonder of a fairy tale
You can take the future even if you fail

[Theodore]

I believe in angels
Something good in everything I see
I believe in angels
When I know the time is right for me

[Simon]

I'll cross the stream - I have a dream
I'll cross the stream - I have a dream

[Brittany]

I have a dream, a fantasy
To help me through reality
And my destination makes it worth the while
Pushing through the darkness still another mile

[Eleanor]

I believe in angels
Something good in everything I see
I believe in angels
When I know the the time is right for me

[Jeanette]

I'll cross the stream - I have a dream
I'll cross the stream - I have a dream

[Chipmunks & Chipettes]

I have a dream, a song to sing
To help me cope with anything
If you see the wonder of a fairy tale
You can take the future even if you fail
I believe in angels
Something good in everything I see
I believe in angels
When I know the time is right for me
I'll cross the stream - I have a dream

I'll cross the stream - I have a dream
