Some days are tough  
And you just can't take it  
You wanna give up  
'Cause you just don't think that you can make it  
But everyone knows  
That in the end you'll be okay  
These things come and go  
Tomorrow's always gonna be a better day

Hang tight  
Just hold on  
Get up  
You know you gotta push on  
Just go  
Tomorrow  
You will see, it'll be so much easier  
So be strong  
Yeah, move on  
Cheer up  
Bad things won't be there for long  
So say  
"it's okay"  
Cause tomorrow the shadow will go away

So why does it seem  
That everything inside you hurts  
You just can't believe  
How it always goes from bad to worse  
And just when you think  
That you've had all that you can take  
Just pick up your head  
Tomorrow's always gonna be a better day

Hang tight  
Just hold on  
Get up  
You know you gotta push on  
Just go  
Tomorrow  
You will see, it'll be so much easier  
So be strong  
Yeah, move on

Chin up  
Bad things won't be there for long  
So say  
"it's okay"  
Cause tomorrow the shadow will go away

Believe(x4)

Hang tight  
Just hold on  
Just go  
Get up  
You know you gotta push on  
Just yours  
Tomorrow  
You will see, it'll be so much easier  
So be strong  
Yeah, move on  
Cheer up  
Bad things won't be there for long  
So say  
"it's okay"  
Cause tomorrow the shadow will go away
