Only you can make this world seem right.
Only you can make the darkness bright.
Only you and you alone
can thrill me like you do
and fill my heart with love for only you.

Only you can make this change in me,
for it's true, you are my destiny.
When you hold my hand,
I understand the magic that you do.

You're my dream come true,
my one and only you.
Yeah baby! Oo!!

every time she walks by i can't stop staring
Hooked on your look and that smile that shes wearing
she looks at me and i freeze i can't go on
unless is with you girl cuz you are the one.
i got.
so much to give long as i live your my only
one thing i can't stands the though of you lonley so
open up your eyes realize my love is true.
and it's ment for only you!

Only you and you alone can thrill me like you do
and fill my heart with love for only you.

Only Youuuuuuuuuuu Yeah
