[Intro:]

You spin my head right round, right round  
When you go down, when you go down down

(You spin my head right round, right round)  
(When you go down, when you go down down)

[Verse 1:]

Hey  
Hopped out of that house with my swagger  
Hop in that with dough, I got places to go!  
People to see, time is precious  
I look at my crowd and they out of control  
Just like my mind where I'm going  
No women, no shorties, no nothin but clothes  
No stoppin now, my pirelli's on role  
I like my jewelry, that's always on gold  
I know the storm is comin  
My pockets keep tellin me it's gonna shower  
Call up my homes that's home  
Then pop in the night cuz it's meant to be ours  
We keep a fade away shot cuz we ballin  
It's platinum patron that be ours  
Lil mama, I owe you just like the flowers  
Girl you too dunk with all that and power clubs

[Chorus:]

You spin my head right round, right round  
When you go down, when you go down down

(You spin my head right round, right round)  
(When you go down, when you go down down)

From the top of the pole I watch her go down  
She got me throwin my money around  
Aint nothin more beautiful to be found  
It's goin down down  
From the top of the pole I watch her go down  
She got me throwin my money around  
Aint nothin more beautiful to be found  
It's goin down down

[Verse 2:]

Hey

Shawty must know I'm the man

My money love her like a numba one fan

Don't open my mouth, let her talk to my fans

My Benjamin Franklins

A couple of grands, I got rubber bands

My paper planes makin her dance

Get part of my plan

We building castles that's made out of sand

She's amazing, the fire blazing

Hotter than gageing

Girl wont you move a lil closer

Time to get paid, it's maximum wage

That body belong on a poster

I'm in a daze, that bottom is wavin at me

Like darn it I know you

You wanna show like a gun out of holster

Tell me whatever and I'll be your roper...

[Chorus:]

You spin my head right round, right round

When you go down, when you go down down

(You spin my head right round, right round)

(When you go down, when you go down down)

From the top of the pole I watch her go down

She got me throwin my money around

Aint nothin more beautiful to be found

It's goin down down

From the top of the pole I watch her go down

She got me throwin my money around

Aint nothin more beautiful to be found

It's goin down down

[Verse 3:]

I'm spendin my money

I'm out of control

Somebody help me

She's takin my bank roll

But I'm king of the club

And I'm wearin the crown

Poppin these bottles

Touchin these models

Watchin they asses go down down (down, down...)

You spin my head right round, right round

When you go down, when you go down down

(You spin my head right round, right round)

(When you go down, when you go down down)

You spin my head right round, right round  
When you go down, when you go down down

(You spin my head right round, right round)  
(When you go down, when you go down down)
