[Alvin]

Oh look, Simon, the fish fingers are ready now.

[Simon]

Let's take these fish fingers with sauce, Alvin.

[Alvin]

Okay.

[Alvin & Simon]

Let's take the fish fingers and put them in the dish
Now we're ready to have...

[Alvin]

A midnight feast?

[Simon]

No.

It's time to make the sauce

[Alvin]

Let's take oil and put in in the saucepan to boil
Once the oil is still boiling, you can add the paprika
Boil again
Once the paprika is done, you can put it in a cup to save
for next time
Then put it in the fridge for 20 hours.

[Theodore]

Alvin and Simon, are you still making the sauce?

[Alvin & Simon]

Yes, Theodore, we are still making the sauce.
