Lalala, lalala, lalalalala, Ohhh

(You know I never felt like this before)

Lalala, lalala, lalalalala, Ohhh (This feeling's like so real)

[verse 1:]

I'm obsessive when just one thought of you comes up
And I'm aggressive just one thought ain't close enough
You got me stressing, incessantly pressing the issue
'Cause every moment gone you know I miss you
I'm the question and you're of course the answer
Just hold me close boy 'cause I'm your tiny dancer
You make me shaken now, I'm never mistaken
But I can't control myself, got me calling out for help

[chorus:]

S-O-S please someone help me
It's not healthy for me to feel this way
Y-O-U are making this hard (Hard)
I can't take it see it don't feel right
S-O-S please someone help me
It's not healthy for me to feel this way
Y-O-U are making this hard
You got me tossing and turning can't sleep at night

[bridge:]

This time please someone come and rescue me
'Cause you on my mind has got me losing it
I'm lost, you got me lookin for the rest of me
Love is testing me but still I'm losing it

'Cause you on my mind it's got me losing i
I'm lost you got me looking for the rest of me
Got the best of me, so now I'm losing it

Yes it's a lesson, it's unfair, you stole my vanity

My common sense is out the door, can't seem to find
the lock
Take on me (uh huh) you know inside you feel it right
Take me on, I could just die up in your arms tonight
I melt with you, you got me head over heels, (over
