When I look in your eyes,  
I see the wisdom of the world  
In your eyes.  
I see the sadness  
Of a thousand goodbyes,  
When I look in your eyes.

And it is no surprise  
To see the softness of the moon  
In your eyes.  
The gentle sparkle of the stars in the skies  
When I look in your eyes.

In your eyes  
I see the deepness of the sea  
I see the deepness of the love  
The love I feel you feel for me.

Autumn comes, Summer dies.  
I see the passing of the years  
In your eyes.  
And when we part,  
There'll be no tears  
No goodbyes  
I'll just look into your eyes.

Those eyes, so wise, so warm, so real  
How I love the world your eyes reveal  
Isn't it a pity you're a seal?
