Frostbl? l?ber p? min kind
Jeg kl?ber mig fast, varmen fra dig tr?nger ind
Venter p? en taxa og ly fra sne og bl?st
Marcipangris jeg vil ha' dit fl?sk
Dit bl?de fl?sk

Det koldt derude
Decemberklar

Bilradions toneklang
Jeg k?mper mig igennem kaos tr?ngsel k?betvang
h?flighed og pli bliver en ren test
Marcipangris jeg vil ha' dit fl?sk
Dit bl?de fl?sk

Det koldt derude
Decemberklar

Hedt og varmt, dig og mig
Under dynen i nat

Det koldt derude
Decemberklar

Hedt og varmt, dig og mig
Under dynen i nat [(I nat)]

[English Translation:]
Frost blue lips on my cheek
I cling, the heat from you seeps in
Waiting for a cab, and shelter from snow and wind
Marzipan pig i want your bacon
Your soft bacon

It's cold out there
December Ready

The car radio's tone
I fight through chaos, congestion, forced buying
Courtesy and polish, will be a test
Marzipan pig i want your bacon

Your soft bacon

It's cold out there
December Ready

Hot and warm, you and me
Under the covers tonight

It's cold out there
December Ready

Hot and warm, you and me
Under the covers tonight [(Tonight)]
