Obrati paznju, tu sam pored tebe  
mala je odrasla, nema vise tremu  
obradi paznju u pravome smeru  
razbi barijeru, voli me ko zenu

Hajde da se pravimo  
da ne znamo se zivot celi  
da drugovi iz skole nismo  
da smo prvi put se sreli  
pogledaj me kao muskarac zenu  
i zaledi vreme u tom trenu

Hajde da zanemarimo  
da trikove tvoje znam  
mesto kuci da me pratis  
povedi me u svoj stan  
pogledaj me kao muskarac zenu  
i zaledi vreme u tom trenu

Ref. 2x

Let's have fun  
Far from other people  
It can be nice  
Just try a bit more  
Look at me as man looks a woman  
And freeze the time in that moment

Let's ignore  
that I know all your tricks  
instead of taking me home  
Take me to your apartment  
Look at me as man looks a woman  
And freeze the time in that moment
