It's time for me to unwind  
I'm gonna start my weekend with gin tonic and lime.  
My girls take me for a ride , ready to party and looking  
so fine.  
I wonder if beyond this , there could be something  
better.  
Cause I feel so good tonight, don't wanna end this  
night.

Chorus

The Balkan girls they like to party like nobody , like  
nobody,  
For crowd delight , we'll shine all night.  
The Balkan girls they like to party like nobody , like  
nobody,  
For crowd delight , we'll shine all night.

My hips are ready to glow,  
This record is so hot and I have so much to show.  
I'll find a boy for a kiss.  
Who knows maybe he'll be my prince.

I wonder if beyond this , there could be something  
better.  
Cause I feel so good tonight, don't wanna end this  
night.

Chorus

The Balkan girls they like to party like nobody , like  
nobody,  
For crowd delight , we'll shine all night.  
The Balkan girls they like to party like nobody , like  
nobody,  
For crowd delight , we'll shine all night.

(You got to live your life)  
If you didn't find out what love is about.  
And if you're lonely baby.  
Just open your mind , you're one of a kind,

You got to live your life.

Chorus

The Balkan girls they like to party like nobody , like  
nobody,  
For crowd delight , we'll shine all night.  
The Balkan girls they like to party like nobody , like  
nobody,  
We'll shine all night.
