All I want ot do is make..you.....bounce!

Feel the flow everyone came to see my show
Love ot hear the people say, Rae go
And I can keep you bouncing up for more

[BRIGDE]

Starting my left ot right, everybody lets keep it tight
I wanna make you scream and shout, I wanna turn this
party out so...

[CHORUS]

Bounce
And if you really wanna bounce, then let me show you
how ta bounce
Before you step to me, ya better just bounce
And if you really wanna bounce, then let me show ya
how ta bounce
Before you step to me, ya btter just bounce

Feel me now, all I wanna do is get down, down
Guess who's coming to your town
I'll be spinning hits to make your head spin around

[REPEAT BRIGDE]

[REPEAT CHORUS]

All I wanna do is make you bounce like this, bounce,
like that, bounce like this, bounce like
that, bounce like this, bounce like that, all I wanna do is
make you bounce with me

Now that you know, what I came to do, I came here to
make you bounce, make you grew
Now that you know what's on my mind we're gonna
