We're cheetah girls,cheetah sistas!

Gotta do what we gotta do  
Got the strength, got the power and we speak the truth  
We go everywhere all around the world  
So ya best respect  
The cheetah girls!

Dancin', singin' from our births  
Workin' hard for what we deserve  
Tryin not to break da rules  
Cuz mama didnt raise no fools

It may seem we're only dreamin  
And we need help to carry on  
It's good to know you're not alooone

Cuz we're the sistas  
We stand togetha  
We make up one big family  
Though we don't look the same  
Our spots are different  
Different Colors  
We make each otha stronger  
That ain't neva gonna change

Don't even miss ya  
We're cheetah girls.cheetah sistas!

Someones always there behind  
To catch us if we fall, someone

Cuz we're the sistas  
We stand togetha  
We make up one big family  
Though we don't look the same  
Our spots are different  
Different Colors  
We make each otha stronger  
That ain't neva gonna change

Cause even mister,

Were cheata Girls Cheata Sisters
