You will not waste my time,
I'll do anything.
I want you anyway.

This will be the end of everything that you know.
I know we'll get up for the ring, so here we go.
Don't even try to hold me down, watch me.

This is the way that it is - get ready, here I come.
Drop the debt on you, don't wanna try to run.
And when I'm finished with you, watch me.

Have you ever been afraid of someone?
I've never been afraid of no one.
Have you ever been afraid of someone?
I've never been afraid of no one. (I do not run)
Have you ever been afraid of someone?
I've never been afraid of no one. (I do not run)
Have you ever been afraid of someone?
I've never been afraid, Afraid!

Raven!

You will not waste my time,
I'll do anything.
I want you anyway.

This will be the end of everything that you know.
I know we'll get up for the ring, so here we go.
Don't even try to hold me down, watch me.
This is the way that it is - get ready, here I come.
Drop the debt on you, don't wanna try to run.
And when I'm finished with you, watch me.

Have you ever been afraid of someone?
I've never been afraid of no one.
Have you ever been afraid of someone?
I've never been afraid of no one. (I do not run)
Have you ever been afraid of someone?
I've never been afraid of no one. (I do not run)
Have you ever been afraid of someone?
I've never been afraid of no one. (I do not run)

Have you ever been afraid of someone?
I've never been afraid of no one. (I do not run)
Have you ever been afraid of someone?
I've never been afraid of no one.
Have you ever been afraid of someone? (Raven!)
I've never been afraid of no one.
Have you ever been afraid of someone?
I've never been afraid of no one.

Have you ever been afraid of someone? (Raven!)
I've never been afraid of no one.
Have you ever been afraid of someone?
I've never been afraid of no one.
