Throw your hands up if you know that you're a star
You better stand up if you know just who you are
Never give up never stay down
Girl Power Girl Power!!
Put your hands up if you know that you're a star
You better stand up if you know just who you are
Never give up never come to far
Girl Power Girl Power!!

I made mistakes before but I know I'm not perfect
It's okay 'cause who could ever be
As long as I did my best
It won't matter what no one says
'cause down in my heart I got the power to make it all
happen

Throw your hands up if you know that you're a star
You better stand up if you know just who you are
Never give up never stay down
Girl Power Girl Power!!

sometimes I just feel like
my back is to the wall
I hold my head up high
And keep on standin' tall
I know my back is covered
Because we have each other
and we're down for whatever
If you hear me put your hands up

Throw your hands up if you know that you're a star
You better stand up if you know just who you are
Never give up never stay down
Girl Power Girl Power!!

Sometimes life may get you down
But you better hold your frown
Nobody can live your life but you
Stay true to who you are
And follow your heart
Your heart, your heart

Put your hands up if you know that you're a star
You better stand up if you know just who you are
Never give up never stay down
Girl Power Girl Power!!
