Oh yeah, can you dig it?
I can dig it
Oh yeah, oh oh oh

Sure it is mellow grazin' in the grass
Grazin' in the grass, yes, baby, can you dig it?
What a trip, just watchin' as the world goes past
Grazin' in the grass, yes, baby, can you dig it?

There are so many groovy things to see while grazin' in
the grass
Grazin' in the grass, yes, baby, can you dig it?
Flowers with colors for makin' everything outta sight
Grazin' in the grass, yes, baby, can you dig it?

Here we go

The sun breathing down between the leaves
Grazin' in the grass, yes, baby, can you dig it?
And the birds dartin' in and out of the trees
Grazin' in the grass, yes, baby, can you dig it?

Everything here is so clear, you can see it
And everything here is so near, you can feel it
And it's real, so real, so real, so real, so real, so real
Can you dig it?

I can dig it, he can dig it, she can dig it
We can dig it, they can dig it, you can dig it
Oh, let's dig it, can you dig it, baby?

I can dig it, he can dig it, she can dig it
We can dig it, they can dig it, you can dig it
Oh, let's dig it, can you dig it, baby?

The sun raining down between the leaves
And the birds dartin' in and out of the trees

Everything here is so clear, you can see it
And everything here is so real, you can feel it
And it's real, so real, so real, so real, so real, so real
Can you dig it?

I can dig it, he can dig it, she can dig it
We can dig it, they can dig it, you can dig it
Oh, let's dig it, can you dig it, baby?

I can dig it, he can dig it, she can dig it
We can dig it, they can dig it, you can dig it
Oh, let's dig it, can you dig it, baby?
