Can't take the pace, so it gets me riled
First you say "no", then you drive me wild
I ain't gonna take it anymore

Bolt the windows, lock your door
You're gonna see what I got in store
You're gonna get what's comin' to you right now

It goes on and on and on and on and on
Won't take your foolin' around
It goes on and on and on and on and on

Time after time, I called for you
You're far too busy, or you're feeling blue
I ain't gonna take it anymore

Your old lady can't fly a kite
Your dad won't put up much of a fight
Count's just begun, you, me, now

It goes on and on and on and on and on
Won't take your foolin' around
It goes on and on and on and on and on

It goes on and on and on and on and on
Won't take your foolin' around
It goes on and on and on and on and on

Time after time, I called for you
You're far too busy, or you're feeling blue
I ain't gonna take it, no

Bolt the windows, lock your door
You're gonna see what I got in store
You're gonna get what's comin' to you right now

It goes on and on and on and on and on
Won't take your foolin' around
It goes on and on and on and on and on...
