I know what I'm all about, nobody's gonna change me  
I stand my ground and deal with negativity  
I got my mind made up  
I'm gonna do whatever makes me happy  
One step at a time, I chose my own destiny

There's no doubt, some doubt  
My dreams are coming true  
Won't stop, can't stop  
Do what I need to do

I can stand up on my own  
No one can bring me down down  
I know I'm gonna shine, shine, shine, shine  
I will hold my head up high  
I'm gonna make it through, through  
Because it's my time to shine, shine, shine, shine

I don't let things get to me, I wanna live stress free  
No one, and nothing's gonna get the best of me  
Believe in myself no matter how hard things may seem  
Keep climbing to the top  
My dreams will be in reach

There's no doubt, some doubt  
My dreams are coming true  
Won't stop, can't stop  
Do what I need to do

I can stand up on my own  
No one can bring me down down  
I know I'm gonna shine, shine, shine, shine  
I will hold my head up high  
I'm gonna make it through, through  
Because it's my time to shine, shine, shine, shine

I'll never lose sight of what I want in my life  
I'll stay true to myself  
No one can tell me, what the future holds  
I'll stay strong no matter  
I will survive, I'm gonna shine

Come on, yeah, uh  
Come on, yeah, uh

I can stand up on my own  
No one can bring me down down  
I know I'm gonna shine, shine, shine, shine  
I will hold my head up high  
I'm gonna make it through, through  
Because it's my time to shine, shine, shine, shine

R E W I N D

I can stand up on my own  
No one can bring me down down  
I know I'm gonna shine, shine, shine, shine  
I will hold my head up high  
I'm gonna make it through, through  
Because it's my time to shine, shine, shine, shine

I can stand upon my own  
No one can bring me down down  
I know I'm gonna shine, shine, shine, shine
