Chorus

Some call it magic the things I see and I don't understand it why it happens to me some call it magic and I don't know how but I know that I have it and it all works out.

I gotta family and my friends with me their they only ones who know my secret (only they do). Try to find a way that your not the same but you know your special and believe it (stay true you).

Chorus I Love Osvaldo For Ever

Some call it magic the things I see and I don't understand it why it happens to me some call it magic and I don't know how but I know that I have it and it all works out.

My girl Chelsea my Boy Eddie they help me in and out my situations (Its the future I see). But I understand its what a fool I am I don't have to give an explanation (I'll just be me).

Chorus

Some call it magic (some call it magic) the things I see and I don't understand it why it happens to me (why it happens to me). Some call it magic and I don't know how but I know that I have it (Know that I have it) and it all works out.

Seeing the future through my lightgt I can't control it but it all seems to work out right cause theres a reason for everything and I know in my powers and dreams future looks good to me.

Some call it some call it

Talking part:

Some might call it magic but i don't know its just a special gift I have it runs in my family
Some call it magic

Talking part:

gets me to trouble some time but my friends are there
for me its kind of cool

Oh oh oh yeah

Some call it magic the things I see and I don't
understand it (and I don't understand it) why it
happens to me some call it magic and I don't know how
(and I don't know how) but I know that I have it and it all
works out (and it all works out)

Some call it magic (some call it magic) the things I see
(the things I can see it) and I don't understand it (don't
understand it) why it happens to me (why it happens to
me)
