did you see the shooting star why cross the sky
spectakular yea
on the fronnt by a mile radiating crazy style the
universe comes to
me i can make it look so easy loke a rare phenomom
you can see today what i see beyond

Chorus

when i get this feeling somethings about to happen
with out any reason its supernatural some people call
me crazy some things theres
no explaining with out any reason its supernatural ohhh
ohh ohhh its
supernatural

go the floor got the mic why livin in this double life
welcome to another world magic sista super girl dont
know how i do what i do but i can make it all come true
got the skills got the touch got the sense and i'm takin
off

Chorus

maybe super human maybe super strange like a force
of nature a hurricane why does it matter where i got it
from i got my power on and i'm goin goin gone its real
what you feel ohh yeah yeah ohh ohh ohh

Chorus

Supernatural
