Let's go, if you can gaze into the future
(Future, future)
You might think life would be a breeze
(Life is a breeze)

Seeing trouble from a distance
(Yeah, go Rae)
But it's not that easy
(Oh, no)

I try to save the situation
Then I end up misbehaving
Oh, oh, oh, oh no

Hey, now
What ya say, now
'Bout to put it down
Yeah you want to ride with the Rae now

And the Future looks great, now
And everything's gonna change, now
Let's Rock
Here we go

That's So Raven
It's the future I can see
That's So Raven
It's so mysterious to me

That's So Raven
It's the future I can see
That's So Raven
It's so mysterious to me, yeah
Yep, that's me
