We can do anything (baby baby baby baby baby babe)
Wait and see

hold on, sit tight
are you ready for a crazy ride
your on your own
it aint right
somethings gotta give tonight

so if you wanna run
run and disappear
you and I can bust our way outta here

together we can
shoot the moon stop the rain
even ride a hurricane, if we wanna
together we can
walk into space save the human race
do you think we oughta, oughta (x2)

if we take our time we can have it all
I dont think we are gunna make it on our own
together we can...
even ride a hurricane, if we wanna
together we can
walk into space save the human race
do you think we oughta, oughta
together we can!!
