

## Raven "Under The Sea"

Visit "[Under The Sea](#)" on [MotoLyrics.com](http://MotoLyrics.com)

The seaweed is always greener  
In somebody else's lake

You dream about going up there  
But that is a big mistake

Just look at the world around you  
Right here on the ocean floor

Such wonderful things around you  
What more are you looking for

Under the sea, under the sea  
Darlin it's better  
Down where it's wetter,  
Take it from me

Up on the shore they work all day  
Out in the sun they slave away

While we devotin  
Full time to floatin  
Under the sea

Down here all the fish is happy  
As off through the waves day roll

The fish on the land ain't happy  
They're sad 'cause they in a bowl

But fish in the bowl is lucky  
They're in for a worser fate

One day when the boss gets hungry  
Guess whos goin on the plate (uh-oh)

Under the sea, under the sea  
Nobody beats us  
Fry us and eat us in fricasee

We what the land folks love to cook  
Under the sea we off the hook

We got no troubles life is the bubbles

Under the sea, under the sea  
Since life is sweet here  
We got the beat here naturally  
Even the strugeon and the ray  
They get the urge and start to play

We got the spirit  
You got to hear it under the sea

The newt play the flute  
The carp play the harp  
The plaice play the bass  
And they're soundin sharp.  
The bass play the brass  
The chub play the tub  
The fluke is the duke of soul  
(yeah)

They ray he can play  
He lings on the strings  
He trout rockin out  
The blackfish she sings  
The smelt and the sprat  
They know where it's at  
And Oh. That blowfish blow

Under the sea (under the sea)  
Under the sea (under the sea)

When the sardine  
Begin the beguine it's music to me

What do they got, a lot of sand  
We got a hot crustacean band

Each little clam here  
Know how to jam here under the sea

Each little slug here  
Cutin a rug here under the sea

Each little snail here  
Know how to wail here  
That's why it's hotter under the water  
Ya' we in luck here  
Down in the muck here under the sea!!
