All in a blaze
Her abrasive gaze
Press her hips and fast
Get hold of her tight

Kiss that girl for me
As I'm not allowed
Lick her brown eye(s)
And mess up her mane

Look at her she's coming
Going out she's coming
Coming out she's coming

X2

Her body at the stake
Shiny holy shape
You're the whipping girl
For bloody mistakes

Look at her she's coming
Going out she's coming
Coming out she's coming

I'm coming out she's coming in
Coming out she's coming in
I'm coming out she's coming in
Coming as she's coming

I'm coming out she's coming in
Coming out she's coming in
I'm coming out she's coming in

Look at her she's coming
Going out she's coming
Coming out she's coming
Coming as she's coming

Holy shape
Holy shape

Holy shape
