Shake it like a million dollar player, player...

Osecam kako posmatras me ti
misao sto glavom seta ti
i gde staju tvoji pogledi
dobro znam ja ko si ti

Ja nisam materijalna devojka
kupiti me neces milionima
milion poljubaca samo daj, mmm...

Sa vrha sveta ti mi dolazis
jer malo sreće tamo nalazis
potrazi samo dobru devojku
imas sve a nemas nju

Dijamanti, biseri i pare
kod mene samo utisake kvare
milion poljubaca samo daj

Ref.

Ti si milioner, pare tvoje necu
milioner, ne nose mi sreću
milioner, kupiti me neces
jer ljubav se ne kupuje da znas

Ti si milioner, pare tvoje necu
milioner, ne nose mi sreću
milioner, kupiti me neces
bogatstvo je kad ljubav pravu das

Na vrh od sveta ti se nalazis
probaj malo da se prizemljis
sidji malo do sveta mog
ljubav ti da osetis

Moje crne oci, dijamanti

a na usnama mi brilijanti
miliona poljubaca samo daj

Leroy Chambers:

Everytime you call me, you only try to change me
And everytime you come around we get busy
It's not my riches, but so you like me
But no, no, no, no, no it's not about my money
And girl you're funny!

And if you want me, because you know I'm living like a millionair
Because I got what I want and I take what I need
Cause I gotta take off with my money!

It's not my money, but I'm horny cause I own it
- It's not about your money
It's not my money, but I'm horny cause I own it
