I DON'T WANT TO MAKE HISTORY  
Hal Kemp

Columbus took a chance  
And I would take a chance  
As long as there's a moon up above  
But I don't want to make history  
I just want to make love

Napoleon took a chance  
But when I think of France  
It's Josephine that I'm thinking of  
Cause I don't want to make history  
I just want to make love

We all can't be heroes  
We all can't be great  
Right now I'll settle for a love affair,  
And the dickens with affairs of state

I hear a call to arms  
But sentimental arms  
My banner is the moon up above  
For I don't want to make history  
I just want to make love
