WHERE IN THE WORLD

Hal Kemp

Where in the world can my lover be?
Where in this wonderful world
Is there someone for me
He may be standing on a corner, on a lonely street;
But tell me how will we happen to meet?
Where in the world is that moment divine?
Where are those arms,
Where are those lips to whisper
"Will you be mine?"
Where are you, if you're waiting,
Patiently waiting for me?
Oh how in the world will I know
Where in the world you may be?
