When the dreams turn to dust  
They turn to ashes in your mouth  
See the wave approaching  
Their intentions suck you down

[Pre-Chorus:]  
In the blink of an eye  
We fought for so long  
It's a role reversal  
It will bring us down ☐ but no out

[Chorus:]  
This is the age of betrayal ☐ you want us down on our  
hands and knees  
This is the age of betrayal ☐ a Judas kiss and silver in  
your fist  
This is the age of betrayal ☐ gleaming in your eyes, the  
ability to lie  
This is the age of betrayal

When the steel turns to rust  
When the walls are tumbling down  
Like the towers falling  
You see them crumble down

[Pre-Chorus, Chorus]

[Bridge:]  
Clouds on a pale grey sky  
A tapestry woven with compromise  
Delusions tied to a scheme  
Lies they sell are not the dream  
Spoon-fed answers, no questions  
Choking down that bitter pill  
Reaping the winds of destruction  
You exercised, exercised your will
