All You Died For Me To Be
Words and music by Ray Boltz
I've had trials and I've had doubts
I've felt your presence
And walked it out
Every step of my life
You've been here with me
And as we walk together
Down a road I cannot see
CHORUS:
I want to live
All you died for me to be
I want to walk
In all you bought on the Tree
'Cause you suffered so much pain
You didn't suffer that pain in vain
'Cause I want to live
All you died for me to be
Now this road isn't easy
You know it's true
When they laugh at me, I know
They laughed at you
And when they say I've gone too far
I'm not the way I used to be
I ask myself this question
Did you go too far for me?
I want to live
All you died for me to be
I want to walk
In all you bought on the Tree
'Cause you suffered so much pain
You didn't suffer it in vain
'Cause I want to live
All you died for me to be
Help me take my eyes off my problems
And take a look at what you faced
When they raised that hammer high
And they held those nails in place
When I see Calvary it's all different
When I see Calvary it's all changed
And I know I can overcome
Just because you overcame

CHORUS

I want to live

All you died for me to be

I want to live

All you died for me to be
