Another Child To Hold

Words and music by Ray Boltz and Steve Millikan

She looks down at her angel

Sleeping in his bed

She gently kneels beside him

And then she bows her head

And just like other mothers

Who lived so long ago

She brings her child to Jesus

And give him to the Lord

CHORUS:

Jesus, here's another child to hold

Keep this child safe and warm

This world can be so cold

Take this child in Your arms

And never let him go

Jesus, here's another child to hold

He watched his only daughter

Leaving on a date

He doesn't want to worry

But now it's getting late

Waiting in the darkness

He kneels down on the floor

And offers up a silent prayer

As he listens for the door

Wherever there are children, Lord

In danger or in need

May you find someone there

Praying on their knees

Oh, please

CHORUS
